PROFESSIONAL EXPERIENCE

Market Research Analyst

Costar Group | May 2016 - May 2023

- Effectively maintain and build lasting relationships with clients through 60+ call attempts (20 conversations per day) and email communication.
- Generate market-specific reports using Microsoft Excel features (V-Lookup, pivot tables and charts) to ensure market transparency and create a clear picture of the health of the market.
- Perform analysis of sale and lease comparable data in the San Diego and Hawaii markets. Identify and report trends, determine areas of improvement for data collection, and ensure integrity of all data presented.
- Analyze, troubleshoot, and document reports to existing and potential clients using Microsoft Excel, Enterprise, Geocoding, Salesforce, Predictive Analytics.
- News Story Editor for the San Diego market. Producing two stories a week that cover sale and lease deals, company news, construction, new listings and contracts.

Manager of Long Term Disability Claims

Prudential | May 2012 - April 2016

- Collaborate with clinical and vocational staff to review long term disability claims using a CRM Database.
- Compose letters of determination, in which the clinical, vocational, and contractual findings that determined the outcome of the claim are explained.
- Serve as a subject matter expert on multiple clients and client specific processes.
- Interview claimants, medical specialists and employers to determine pertinent claim information.
- Use Excel to create spreadsheets that incorporate large amounts of data for various projects and tasks.
